

PRIMEWARE

Gastronorm Ceramic Dishes & Lids

Hand finished ceramic
Gastronorm dishes & lids
manufactured from high quality
vitreous stoneware.

Primeware's dishes & lids come in 5 different vibrant colours: red, white, black, tuscan yellow and blue, and in 7 different sizes and 3 depths.

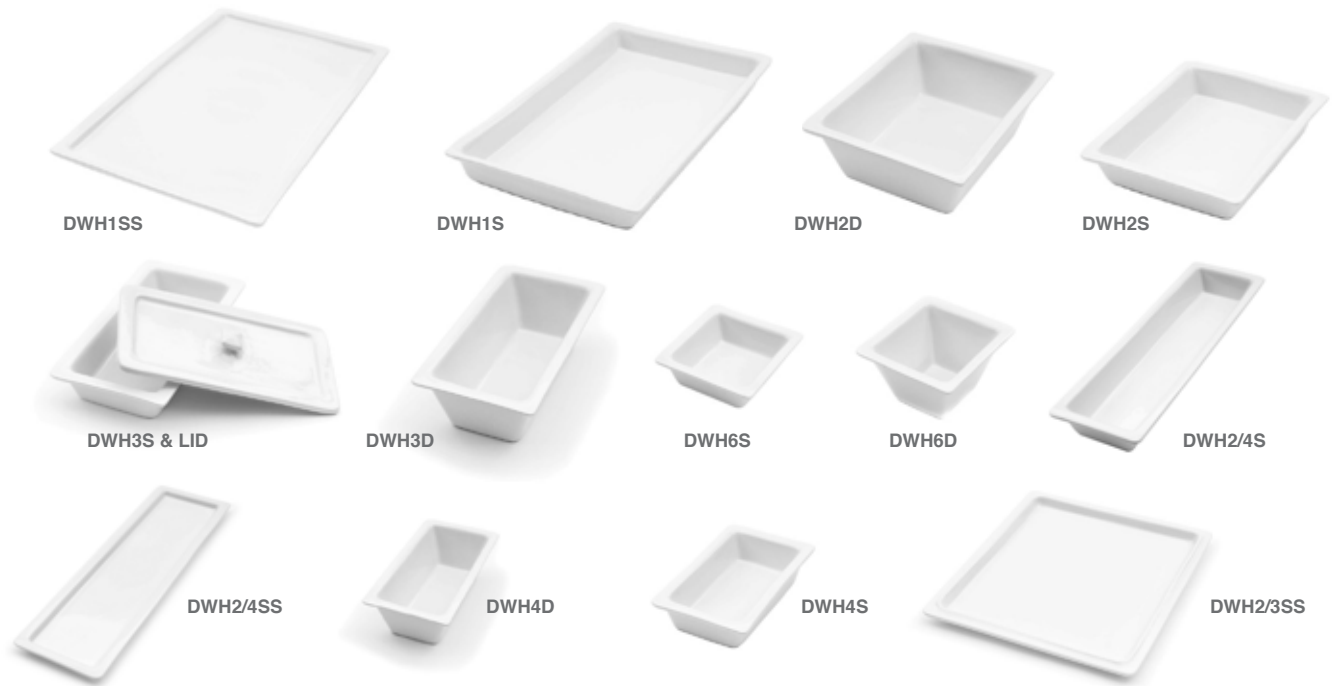

The dishes are fired at 1300°C for 10 hours making them very durable withstanding temperatures of -20 to 250°C.

They can be used to freeze, chill, cook, microwave, roast and serve and are dishwasher safe. The dishes can drop in to the GN well of a servery counter or sit on the countertop.

Primeware's versatile systematic approach to food display offers eye catching presentation and value for money.

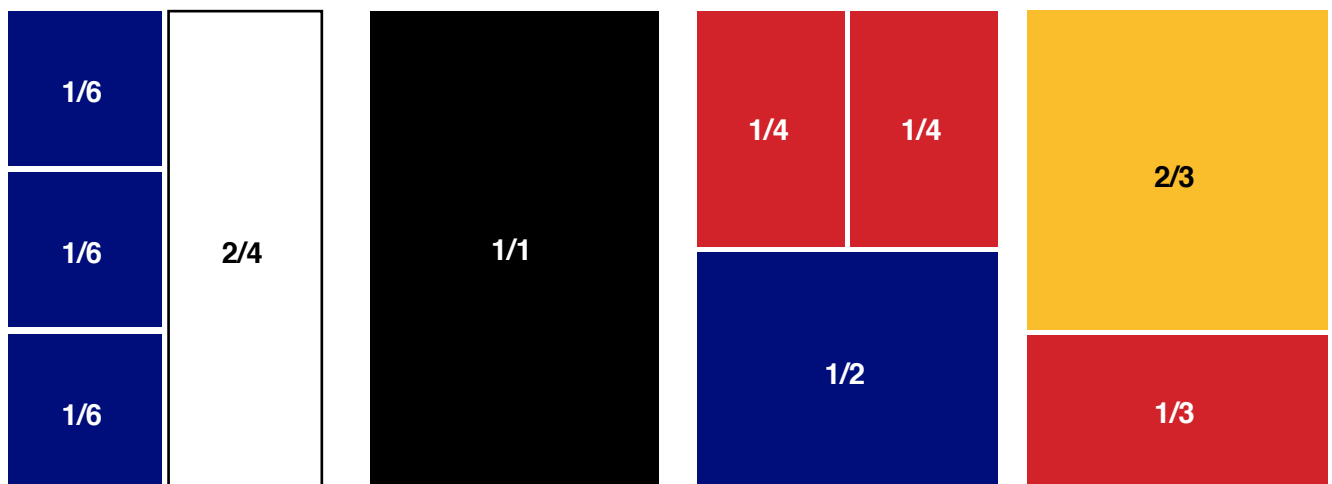

Gastronorm Ceramic Dishes & Lids

* replace “-” with colour code when ordering

GN dishes to drop-in or sit on the counter.
